

## URGENT PRIORITY

Dear customer,

We recognize that these challenging times create exceptional urgencies and a need for flexibility and prioritizing.

To accommodate the many requests we are currently receiving and with our limited capacity in mind, SAS Cargo has decided to offer you a solution focusing on your highest priorities and most urgent shipments: **Urgent Priority**

The Urgent Priority solution offers you flexibility, clear procedures and fast, punctual deliveries.

Urgent Priority at a glance:

- Fast airport-to-airport connection
- First available next flight
- Priority handling
- Money back guarantee

For booking or additional information on Urgent Priority, please contact your local sales agent or our customer support.
